I also welcome our sponsored speakers who include:

- Dr Kerryn Grieve, PhD, whose participation in the meeting is made possible by an unconditional grant to College by
- Dr Professor Brigitte Dreno, Professor of Dermatology at the University of Nantes, France. Professor Dreno’s participation in the meeting is made possible by an unconditional grant to College by
- Professor Yasushi Suga, MD, PhD, Professor of Dermatology, Juntendo Univerity, Urayashu Hospital, Chiba, Japan. Professor Suga’s participation in the meeting is made possible by an unconditional Grant to College by
- Professor Steven Feldman, MD, PhD, Professor of Dermatology, Pathology and Public Health Sciences, Wake Forest University, Boston, Massachusetts, USA. Professor Feldman’s participation in the meeting is made possible by an unconditional grant to College by
- Dr Arael Haus, dermatologist from the United Kingdom and Brazil. Dr Haus’ participation in the meeting is made possible by an unconditional Grant to College by

PRESIDENT’S MESSAGE

A warm welcome to the 46th Annual Scientific Meeting of the Australasian College of Dermatologist which is being held in Sydney, David Williamson’s “Emerald City where people go to fulfil their dreams”.

It is appropriate that this meeting should be held in Australia’s first and largest city. Sydney is an expression of the dynamic energy and economic growth which has propelled Australia to prosperity and world standing. The city also best characterises the Australian life style and personality. We are proud that this meeting will enable us to showcase Sydney to the rest of Australia and to our overseas visitors.

I would like to express our appreciation to the New South Wales State Faculty of the College as hosts of the meeting, and in particular to A/Professor Pablo Fernandez-Peñas and Dr Jillian Wells who are the co-convenors of the meeting. With the strong support and guidance of Dr Cathy Reid, Convenor of the Scientific Meetings Steering Committee, they have organised an excellent program on our behalf.

I am particularly delighted to welcome our overseas speakers: Timothy Berger, MD, Professor of Clinical Dermatology at the University of California San Francisco, California, United States of America; Luis Requena, Professor of Dermatology at the Universidad Autónoma, Madrid and Chairman of the Department of Dermatology at the Fundación Jiménez Díaz, Madrid, Spain; and Suzanne Olbricht, Associate Professor of Dermatology at Harvard Medical School Boston, Massachusetts, United States of America.
We are also very pleased that our meeting is supported by a galaxy of distinguished Australian speakers, representing other specialities. These include:

- Dr Stephen Adelstein, Clinical Immunologist and Immunopathologist, Royal Prince Alfred Hospital, Sydney, New South Wales.
- Adjunct A/Professor Renee Bittoun, Smoking Cessation Unit, Brain and Mind Research Institute, The University of Sydney; Director, Smokers Clinics Sydney Local Area Health District; President Australian Association of Smoking Cessation Professionals; and Editor in Chief, The Journal of Smoking Cessation, New South Wales.
- Dr Paul Bird, Rheumatologist, Senior Lecturer, University of New South Wales.
- Dr Scott Byrne, Senior Lecturer in Immunology; Head, Cellular Photo-Immunology Group, Infectious Diseases and Immunology Dermatology, Sydney Medical School, Royal Prince Alfred Hospital, New South Wales.
- Dr Jeffrey Chaitow, Head, Department of Paediatric Rheumatology, The Children’s Hospital at Westmead, New South Wales.
- Dr Lorraine Chantrill, Medical Oncologist and Clinical Director, Oncology Clinical Trials, Macarthur Cancer Therapy Centre, Campbelltown, New South Wales.
- Dr Joanna Flynn, Chair, Medical Board of Australia.
- Dr Stephen Graves, Director of Microbiology, Hunter Area Pathology Service, Newcastle, New South Wales; and Health Pathology and Medical Director, Australian Rickettsial Reference Laboratory, Geelong Hospital, Geelong, Victoria.
- A/Professor Christine Jorm, Medical Education, Coordinator of the Personal and Professional Development Theme, Sydney Medical School, The University of Sydney, New South Wales.
- Dr William Coote, Director, Professional Services Review Agency.
- Dr Linda Satchwell, Head of Re-insurance at Avant Mutual Group Ltd.
- Dr Con Petsoglou, Senior Lecturer, Discipline of Clinical Ophthalmology, University of Sydney; Clinical Senior Lecturer, University of Otago; Consultant, Cornea Unit Sydney Eye Hospital; and Clinical Advisor, Lions NSW Eye Bank, New South Wales.
- Dr Krishna Tumuluri, Consultant, Department of Ophthalmology, Westmead Hospital; and Honorary Visiting Medical Officer, The Children’s Hospital at Westmead, New South Wales.

We are also very pleased that our meeting is supported by a galaxy of distinguished Australian speakers, representing other specialities. These include:

- Dr Sue-Ching Yeoh, Staff Specialist, Oral Medicine, Royal Prince Alfred Hospital and Liverpool Hospital, Sydney, New South Wales; Visiting Oral Medicine Specialist, The Canberra Hospital, Canberra, ACT; and Clinical Lecturer, University of Sydney, New South Wales.

Associated with the meeting there will be a number of special events. These include:

- Australasian Dermatopathology Society Special Meeting focusing on vascular tumours and panniculitis;
- Australian Dermatology Nurses’ Association 12th Annual National Conference;
- Hyperhidrosis Training Workshop for Dermatologists; and
- In vivo Confocal Microscopy Dermatology Workshop.

These additional events add richness and value to the College meeting.

The College is honoured to have as the John Reid Orator at the Conferring Ceremony to be held on Sunday 19 May 2013, Mr David Gonski, AC, a distinguished Australian public figure who is also Chancellor of the University of New South Wales. Mr Gonski is author of the recent review of Australian education for the Commonwealth Government. I am sure he will be an inspiring Orator.

The conferring ceremony is when we formally recognise new Fellows and present awards to Fellows who have provided outstanding service to College.

In these times of economic caution, it is most heartening that our conferences continue to be strongly supported by our industry partners. This meeting presents a special opportunity for a wide range of suppliers to display their latest products and services to dermatologists. I trust that all delegates will take the time to visit their displays in the exhibition and learn about the latest developments in products and services. College could not undertake all its programs and meet its objectives without the loyal support it receives from its industry partners, in ensuring that our patients are offered optimum management with the latest advances in medical and surgical treatment.

I thank our sponsors who are listed in this program for their generous support of the meeting.

I hope that all delegates will have a most successful and enjoyable meeting.

*Foundation Members
The scientific sessions of the meeting will be held in the Parkside Auditorium of the Sydney Convention and Exhibition Centre (SCEC).

SPECIAL EVENTS
The following special events will be held in association with the meeting:

- Australasian Dermatopathology Society Special Meeting: Vascular Tumours and Panniculitis
  Bayside 201
  Sydney Convention and Exhibition Centre
  Saturday 18 May 2013, from 9.00am to 3.30pm

- Australian Dermatology Nurses’ Association 12th Annual National Conference
  SMC Conference & Function Centre
  66 Goulburn Street, Sydney
  Saturday 18 May and Sunday 19 May 2013

- In vivo Confocal Microscopy Dermatology Workshop
  Parkside 110A
  Sydney Convention and Exhibition Centre
  Tuesday 21 May 2013 from 5.00pm to 6.30pm.

- Hyperhidrosis Training Workshop for Dermatologists
  Parkside 110B
  Sydney Convention and Exhibition Centre
  Tuesday 21 May 2013 from 5.00pm to 8.00pm.

REGISTRATION
The registration desk and conference administrative office will be located in the Parkside Foyer (level 1) of the SCEC. The registration desk will open on Saturday 18 May from 8.00am and throughout the meeting.

CONTINUING PROFESSIONAL DEVELOPMENT HELP DESK
A CPD Help Desk will be set up at the Annual Scientific Meeting in Sydney, to assist Fellows with any queries/issues. The CPD Help Desk will be located at the registration counter and will be open on Monday and Tuesday.

ID TAGS
The ID tags are recyclable, so delegates are asked to return these at the end of the meeting.
ID tags must be worn at all times. Delegates without ID may be refused entry to sessions and to the trade exhibition.

SWIPE CARDS
Please assist exhibitors by using the bar code on your ID tag to identify yourself to them.
TRADE EXHIBITION

The trade exhibition will be held in Exhibition Hall 5. It will be open on the following days:

- Sunday 19 May from 1000 to 1600 (1230 official opening).
- Monday 20 May from 1000 to 1600.
- Tuesday 21 May from 1000 to 1600.
- Wednesday 22 May from 1000 to 1430.

Morning tea, lunch and afternoon tea will be served in the trade exhibition venue on Sunday, Monday, Tuesday and Wednesday.

The morning and afternoon tea breaks will be for half an hour. The lunch break will normally be one hour, except on Monday 20 May when it will be longer.

Delegates will receive a trade passport: collect 24 stamps from exhibitors in your passport and you go into a lucky draw for valuable prizes.

Awards for outstanding exhibits

Awards for the outstanding exhibits will be announced on Wednesday 22 May 2013. The categories of award are:

- Most outstanding display of 9 sqm or less in size
- Most outstanding display of 18 sqm up to 27 sqm in size
- Most outstanding display of 36 sqm in size, or larger

The awards will be decided by a panel of three judges.

SPEAKERS’ PREPARATION ROOM

The speakers’ preparation room will be located in Parkside GO7 of the Sydney Convention and Exhibition Centre. The room will be staffed daily. The technician will be on hand one hour before the start of each session, then 30 minutes after close of the final session. Presenters are encouraged to hand their presentations in at least two hours before required onstage, or the day before if presenting early in the morning.

AWARDS

If there are papers of sufficient merit, the following awards/prizes will be awarded:

- Best research paper read at the Annual Scientific Meeting - F. & E. Bauer Foundation Prize
- Best paper in the Registrars’ Forum – sponsored by Pfizer
- Best poster presentations (two prizes)
- Best paper or poster presentation by a New South Wales Registrar, the Eileen Collins Memorial Prize – funded by the New South Wales Faculty
- Best paper in Contact Dermatitis, the John Fewings Memorial Prize - funded by the Skin and Cancer Foundation Victoria

SMART PHONE/TABLET APP

College is now offering a free downloadable app at all its conferences. This is available for the Annual Scientific Meeting. It includes information about the scientific program, social program, etc. It will also be used for responder sessions during the meeting. Smart phones/tablets are required for this purpose. The app details will be circulated separately, and will also be available from the conference registration desk Please note that some sessions of the meeting may include responder sessions via the app.

NOTE

The scientific program for the Annual Scientific Meeting has been prepared by A/Professor Pablo Fernandez-Peñas, FACD and Dr Jillian Wells, FACD, and overseen by the College’s Scientific Meetings Steering Committee which reports to the Board.

The topics and speakers for all sponsored symposia and breakfast sessions have been approved by the College.
SYDNEY CONVENTION AND EXHIBITION CENTRE

Floor plans of SCEC are printed below.
# PROGRAM AT A GLANCE

The scientific sessions of the meeting will be held in the Parkside Auditorium of the Sydney Convention and Exhibition Centre.

0845-1700 MOHS SURGERY CLINICAL MEETING AND BUSINESS MEETING
Parkside G04
Convenor: Cl. A/Prof. S. Huilgol

0845-1600 Mohs Surgery Clinical Meeting

0845 Cl. A/Prof. C. Vinciullo
Introduction

0900 A/Prof. R. Paver
Opening address: A quarter century of Mohs surgery: What I have learned

0920 Dr J.M. Wentzell
Reconstructive surgery and the creative process

0950 Dr P. Salmon
Pedicled forehead flaps: How I do them

1010 Discussion

1020-1040 MORNING TEA IN PARKSIDE GROUND FOYER

1040 Defect reconstruction
Moderator: A/Prof. S. Huilgol
Masters panel: A/Prof. R. Paver
Cl. A/Prof. C. Vinciullo
Dr J.M. Wentzell

1100 Dr J.M. Wentzell
Innovative options in nasal reconstruction: Drumhead grafts, shark flaps and dorsal nasal flaps

1140 Dr R. Salmon
The spiral flap for alar reconstruction

1200 Dr E. Tan
Full thickness skin grafts for surgical defects of the nasal ala - a simple and versatile single stage reconstructive option: Our experience over 10 years

1220 Discussion

1230-1330 LUNCH IN PARKSIDE GROUND FOYER

1330 Dr A. Ming
Photosensitivity disorders in children

1400 Dr C. Drummond
Female genital dermatology

1450 Dr L. Warren
Ethical considerations and dilemmas in dermatology

1500-1520 AFTERNOON TEA IN PARKSIDE GROUND FOYER

1525 Dr Y.J. Tai and Dr P. Cherian
Nasal carriage of Staph aureus, an important risk factor for post-operative surgical site infection, a randomised prospective study

1535 Dr P. Cherian
Oral antibiotics versus topical decolonisation to prevent post-operative surgical site infection: a randomized prospective trial

1550 Dr L.J. Leow
Reconstruction of the glans penis and urethral meatus

1610 Dr E. Tan
Helical rim advancement flaps (HRAFs) for reconstruction of defects of the posterior pinna

1630 Discussion

1645 Dr L. Warren
Ethical considerations and dilemmas in dermatology

1700 END OF SESSION
0900-1530  AUSTRALASIAN DERMATOPATHOLOGY SOCIETY SPECIAL MEETING: VASCULAR TUMOURS AND PANNICULITIS
Bayside 201
Convenor: Dr K. Crotty

1530  END OF SESSION

1700-1830  GALDERMA SPONSORED SYMPOSIUM: ACHIEVING PATIENT SATISFACTION WITH DYSPORT AND AN INNOVATION IN DEEP SKIN HYDRATION WITH RESTYLANE SKINBOOSTERS™
Parkside 110
Chair: Dr A. Haus

Dr A. Haus
Dermal hydration innovation with cross-linked HA

Dr N. Cook
Introducing the European botulinum into your dermatology aesthetic practice and peri-oral and skin rejuvenation with Restylane Skinboosters™

Dr R. Rosen
Dysport language in one easy lesson

1830  END OF SESSION

SOCIAL PROGRAM

1800-2000  MEN’S AND LADIES TENNIS TOURNAMENT
Venue: The Palms Tennis Centre
Trumper Park
Paddington

SUNDAY 19 MAY 2013

0715-0830  EGO SPONSORED BREAKFAST:
SUNSCREENS AND SUN PROTECTION: BEYOND SPF
Parkside Ballroom A
Chair: Dr S. Smith
Dr K. Greive
Sunscreens and sun protection: Beyond SPF

0830  END OF SESSION

0715-0830  ROCHE SPONSORED BREAKFAST:
NEW SYSTEMIC THERAPIES FOR THE TREATMENT OF SKIN CANCERS
Parkside Ballroom B
Chair: A/Prof. P. Fernandez-Penas
Prof. D. Murrell
Novel treatment options for advanced basal cell carcinoma
A/Prof. C. McCormack
Management strategies for cutaneous adverse events associated with BRAF inhibitor therapy
Questions and answers

0845-0900  OFFICIAL OPENING BY DR W. WEIGHTMAN, PRESIDENT, AUSTRALASIAN COLLEGE OF DERMATOLOGISTS
Parkside Auditorium

0900-1030  KEYNOTE SESSION: BENCH TO BEDSIDE
Parkside Auditorium
Chair: Dr W. Weightman

0900  Prof. T. Berger
Pruritus: From bench to bedside

0930  Prof. S. Olbricht
Stone age surgeon versus modern medicine: Current cancer conundrums

1000  Prof. L. Requena
Advances in immunohistochemistry with therapeutic consequences

1030  END OF SESSION

1030-1100  MORNING TEA IN TRADE EXHIBITION, HALL 5

1800-1900  

**GRADUATION ORATION AND CONFERRING OF DIPLOMAS AND AWARDS**

*Parkside Auditorium, SCEC*

**Academic Procession**
The audience is requested to stand when the academic procession enters the hall; and to remain standing for the playing of the National Anthems of Australia and New Zealand.

**Opening of Proceedings**
Dr W. Weightman, FRACP, FACD, FAICD, President of the Australasian College of Dermatologists, will declare the proceedings open and address the assembly.

**Mervyn Gold, OAM, Award for 2012**
Dr Terence Connors

**Fellows elected under Clause 11.1.1(a)**
- Dr Nikolas Haass
- Dr Emma Hiscutt
- Dr Kiarash Khosrotehrani
- Dr Raquel Ruiz Araujo
- Dr Anastasios Stavrakoglou
- Dr Reichan Walther

**Induction of New Fellows**
- Dr Shiva Baghaei
- Dr Michael David Black
- Dr Aaron E. Boyce
- Dr Tony Philip Caccetta
- Dr Rebecca Louise Dunn
- Dr Haady Fallah
- Dr Rachael Stewart Foster
- Dr Glen Christopher Foxton
- Dr Desmond Chia Chin Gan
- Dr Shyamalar Gunatheesan
- Dr Penny Poh Lu Lim
- Dr Linda Katherine Martin
- Dr Bernadette Ricciardo
- Dr Geetha Sivapirabu
- Dr Saxon Donald Smith
- Dr Sara Marie Tritton
- Dr Sachin Vaidya
- Dr Leona Wan Yi Yip

1900-2030  

**Australasian College of Dermatologists Travelling Fellowship from 2012 Examinations**
Dr Glen Christopher Foxton

**Founders’ Medal for Procedural Dermatology for 2012**
Dr Glen Christopher Foxton

**Ken Paver Medal for Medical Dermatology for 2012**
Dr Sara Marie Tritton

**President’s Medal for Pharmacology for 2012**
Dr David Jenkins

**Oath of Ethics**
The new Fellows will affirm the Oath of Ethics.

**John Reid Oration**
To be given by Mr David Gonski, AC.

**Conclusion**
The assembly is requested to stand as the academic procession leaves the auditorium.

**Music**
Sunrise String Quartet: Bridget O’Donnell - Violin
  Benjamin Adler - Violin
  Nicole Greentree - Viola
  Bethan Lillicrap - Cello

1900-2030

POSTER PRESENTATIONS

The following posters will be displayed at the meeting:

1. Dr M. Abikhair
   Subungual hair implantation associated with onycholysis in a hairdresser

2. Dr A. Bakus
   Long-term fine caliber hair removal with an electro-optic Q-switched ND:Yag laser

3. Dr A. Bakus
   Photodynamic therapy using an electro-optic Q-switched ND:Yag laser

4. Dr P. Banan
   Risk factors for multiple squamous cell carcinomas

5. Dr P. Banan
   Skin microbiopsy effects on histopathological diagnosis of pigmented lesions

6. Dr P. Banan
   Sun protective behaviour in a construction company in Brisbane

7. Dr P. Banan
   Urticarial dermatitis, a retrospective study

8. Dr E. Bananis
   Comparative performance of existing psoriatic arthritis screening tools in psoriasis patients: Findings of the PREPARE study

9. Dr C. Bissex
   Erosive pustular dermatosis of the scalp following Cetuximab

10. Dr C. Bissex
    Paraneoplastic dermatomyositis as presentation of high grade prostate cancer: A rare association with a uratric trunk malignancy

11. Dr L. Buchanan
    A review on the current management of incidental perineal invasion in non-melanoma skin cancer: The need for a registry

12. Dr L. Buchanan
    Comedonal Darier’s disease diagnosed incidentally in a patient having a routine skin examination for sun exposure

13. Dr L. Buchanan
    Febrile ulceronecrotic Mucha-Habermann disease: A case associated with streptococcal infection and treated with systemic steroids

14. Dr L. Byrom
    The influence of pregnancy on prognosis of melanoma

15. Dr L. Byrom
    Toxic epidermal necrolysis caused by over the counter eye drops

16. Dr G. Carlos
    Granuloma annulare in a patient on Dabrafenib

17. Dr H. Cheng
    Please see this child with melanoma

18. Dr N. Chinniah
    An unusual case of lichen striatus

19. Dr N. Chinniah
    Hidradenitis suppurativa - experience with biologics

20. Dr B. Choy
    Panniculitis in patients treated with BRAF inhibitors: A case series

21. Dr E. Coates
    Dermatological challenges in solid organ transplant recipients: The first 18 months of a dedicated transplant dermatology database

22. Dr E. Coates
    Does Rowell’s syndrome really exist? A case report and review

23. Dr E. Coates
    Effective treatment of recalcitrant plane warts in a lung transplant recipient

24. Dr E. Coates
    Reduced non-melanoma skin cancer development in a liver transplant recipient treated with Sirolimus

25. Dr E. Coates
    Use of a novel dermoscopic technique in combination with in vivo reflectance confocal microscopy to diagnose amelanotic and hypomelanotic melanoma in a 22 case series

26. Miss J. Davey
    Epidemiology of renal impairment in the Australian epidermolysis bullosa population

27. Dr E. Delport
    Disseminated varicella presenting with an acute abdomen and delayed onset of skin eruption: A case and overview

28. Dr S. Dixit
    A case series of eleven patients with hormone-responsive sebaceous adenitis of the labia minora

29. Dr S. Hannam
    Melanoma shared care: A tripartite approach for survival. the patient, their GP and their specialist

30. Dr J. Frew
    Common causes with uncommon presentations: HSV2-mediated cutaneous ulceration in the setting of Wegener’s granulomatosis

31. Dr J. Garja
    Mercury allergy manifesting in tattoo dermatitis

32. Dr A. Gin
    Ectopic endometriosis: Case report

33. Dr K. Greive
    Protection from skin damage due to visible light

34. Dr K. Greive
    The benefits of nicotinamide in sunscreens

35. Dr M. Gupta
    IgG4-related disease: A case series

36. Dr S. Hannam
    Kava dermopathy in Fiji

37. Dr S. Hannam
    Melanoma shared care: A tripartite approach for survival. the patient, their GP and their specialist

38. Dr S. Hwang
    Prevalence and characterisation of anaemia in patients with epidermolysis bullosa registered in Australia: Preliminary data

39. Dr C. Jalilian
    Female androgenetic alopecia in a male-female transgender patient: A case report

40. Dr D. Jenkins
    Dermoscopic characteristics of nodular squamous cell carcinoma
49. Dr M. Lin
Diagnostic accuracy of malignant melanoma according to subtype

50. Mr C.C.H. Loh
Development, reliability and validity of a novel severity score for epidermolysis bullosa: The Epidermolysis Bullosa Disease Activity and Scarring Index (EBDASI)

51. Dr P. Mahar
Lymphatics and blood vessels in irradiated skin tissue

52. Dr S. McDonald
Do my toenails look fat in this? A case of subungual xanthomata

53. Dr K. Meadows
A single application of brimonidine tartrate gel significantly reduces moderate to severe facial erythema of rosacea

54. Dr K. Meadows
Once-daily topical brimonidine tartrate gel 0.5% is safe and efficacious in the treatment of moderate to severe persistent facial erythema of rosacea

55. Dr K. Meadows
Efficacy and safety of once-daily brimonidine tartrate gel 0.5% for moderate to severe facial erythema of rosacea - two randomized, double-blind and vehicle-controlled Phase III studies

56. Dr G. Moloney
Smartphone use for clinical photography among dermatology registrars in Australia 2012

57. Dr Y. Morcos
Review of cutaneous outcomes of immunomodulatory drugs for multiple sclerosis

58. Dr C. Morze
African albinism: Volunteer experience highlights an urgent need for a coordinated response

59. Dr C. Morze

PLEASE REVIEW PRODUCT INFORMATION BEFORE PRESCRIBING. MINIMUM PRODUCT INFORMATION Picato® gel. Ingenol mebutate 0.015%, ingenol mebutate 0.05%

Indication: Topical treatment of solar (actinic) keratoses in adults. Contraindications: Allergic sensitisation to ingenol mebutate or any other constituent of Picato® gel. Precautions: For external use only; not for oral, ophthalmic, vaginal or anal use. Avoid eye area. Most common local skin responses include erythema and flaking/scaling followed by crusting and swelling. Less common include vesiculation/pustulation and erosion/ulceration. Local skin responses are transient and typically occur within one day of treatment initiation and peak in intensity up to one week following completion of treatment. Local skin responses typically resolve within 2 weeks for face and scalp and within 4 weeks for body. Avoid excessive exposure of treated areas to sunlight/UV. Pregnancy Category B3. Avoid infants contacting treated areas within 6 hours of application. Not indicated for children below 18 years. Adverse Effects: Adverse effects occurred in less than 10% of patients and included application site pain, pruritus, irritation, infection, periorbital oedema, headache, paraesthesia, eyelid oedema. See Precautions for local skin responses. Dosage and Administration: Solar (actinic) keratoses on the face and scalp: Picato® gel, 0.015% should be applied to the affected area once daily for 3 consecutive days. Solar (actinic) keratoses on the body: Picato® gel, 0.05% should be applied to the affected area once daily for 2 consecutive days. Store at 2-8°C (Refrigerate). Full Product Information is available from LEO Pharma Pty Ltd ABN 72 147 880 617, Level 3, Tower 1, 25 Montpelier Road, Bowen Hills, QLD 4006. Picato, LEO and LEO/lion device are registered trademarks of LEO Pharma A/S, Denmark. Prepared Nov 2012 based on Product Information dated Nov 2012. LSK-12-119
