RECONSIDERATION, REVIEW AND APPEALS – GOVERNING PROCEDURE

1. PURPOSE AND SCOPE

The purpose of this document is to provide procedures for the processes of reconsideration, review and appeal as per the Reconsideration, Review and Appeals Policy

2. INITIATION

- 2.1. As per Policy matters pertaining to disputed decisions should in the first instance be reconsidered by the same committee or body which made the disputed decision. This is to be followed by Review before any Appeal can be granted.
- 2.2. The CEO has discretion to allow the process to commence at the 'review' stage where he or she is satisfied there are clear circumstances which make it justifiable and appropriate to do so.
- 2.3. The initiation and raising of a matter by an appellant must be to the College CEO so that the timeframes as per the Policy and procedure are managed.
- 2.4. The appellant will receive all correspondence of the outcomes of a reconsideration or a review process from the College Honorary Secretary, and the College Honorary Secretary deliberates over the granting of an appeal. If an appeal committee is constituted the outcome of the deliberation by the Chair will be to the CEO who will communicate (see clause 5.7).

3. RECONSIDERATION PROCESS

- 3.1.3 It is not acceptable for an appellant to hold material for a later time or later into the process that could have been disclosed. If additional material comes to light during the process this can and must be brought forward immediately.
- 3.1.4 Failure to act in good faith and lodge all relevant material will be a breach of this policy and in such cases the CEO may refer this procedural breach to the Board for consideration to cease the reconsideration, review and appeal process at any stage.
- 3.1.5 Any application to initiate the reconsideration must:
 - Be in writing, using the prescribed form (Reassessment of a Decision Form below), and lodged with the CEO

- Specify the particular decision being contested and a brief outline of the matter in issue, stating reasons for the request.
- Specify the relevant ground(s) of appeal (Policy: Clause 7)
- Provide documented and verifiable evidence in support of the ground(s) specified by the appellant.
- The applicant should provide all additional material considered relevant to the decision being considered.
- The CEO or nominee will ensure the Honorary Secretary is advised, and that the decision maker/Committee is advised so that it may convene for the purpose of conducting the reconsideration either at its next scheduled meeting, or by special arrangement.
