WELCOME TO MELBOURNE

A warm welcome to the 47th Annual Scientific Meeting of the Australasian College of Dermatologist which is being held in marvellous Melbourne.

This is a special occasion. Owing to the redevelopment of the Melbourne Convention and Exhibition Centre, there has not been a College scientific meeting in Melbourne since 2006. Now, the city awaits us to offer Australia’s newest and most outstanding conference venue. We are proud that this meeting will enable us to showcase Melbourne to the rest of Australia and to our overseas visitors.

I would like to express our appreciation to the Victorian State Faculty of the College as hosts of the meeting. While I appreciate that this has been a joint Faculty effort, I note in particular the outstanding efforts of Dr Con Dolianitis as convenor of the meeting.

With the strong support and guidance of Dr Trish Lowe, Chair of the Scientific Meetings Steering Committee, the Victorian Faculty has organised an excellent program on our behalf.

I am particularly delighted to welcome our overseas speakers:

- Prof. Amy Paller, Professor of Dermatology and Paediatric Dermatology and Chair of the Department of Dermatology, Feinberg Northwestern University School of Medicine, Chicago, Illinois, USA;
- Prof. Steven Feldman, Professor of Dermatology, Pathology and Public Health Sciences, Wake Forest University School of Medicine, Winston-Salem, North Carolina, USA;
- Dr Joel Cohen, Associate Clinical Professor of Dermatology, University of Colorado, USA; and
- Prof. Christopher Bunker, Professor of Dermatology, Imperial College School of Medicine, London, UK.

Prof. Paller and Prof. Bunker’s participation in the meeting is made possible by an unconditional grant to College by MedA.

I also welcome the following overseas invited speakers organised by the Victorian Faculty:

- Chee Leok Goh, MBBS, MMed (Int Medicine), MRCP (UK), FAMS (Dermatology), MD (Singapore), FRCP (Edin)
- Boon Kee Goh, B Sc(Hons), MBChB, MRCP(UK), FRCP (Edin), FAMS (Dermatology).

Sponsored speaker who will participate in sponsored sessions, are:

- Dr Johannes Wohlrab, Head of Experimental Dermatology and senior consultant, Institute of Applied Dermatopharmacy, Martin Luther University, Halle-Wittenberg, Halle, Germany, whose participation in the meeting is made possible by an unconditional grant to College by GSK.

Dr Bernadette Arcilla is a dermatologist and the Medical Affairs Director, GlaxoSmithKline – Pharma, Philippines, whose participation in the meeting is made possible by an unconditional grant to College by GSK.
Marybeth Dalessandro, BS, ASCP, RM ASM, is the Director of Clinical Development, Acne and Superficial Skin Infection Care Area, at Stiefel, a GSK company. Marybeth has been with GSK, for 15 years, first in the Infectious Disease Medical Development Center, where her primary focus was the development of topical treatments for skin and skin structure infections, as well as oral agents for skin infections and serious gram negative infections. Her participation in the meeting is made possible by an unconditional grant to College by GSK.

I also thank the following local speakers from related specialties and other areas of interest to dermatology who will participate in the meeting:

- Prof. Katie Allen, Paediatric Gastroenterologist and Allergist, Theme Director, Population Health; Group Leader, Gastro and Food Allergy, Murdoch Children's Research Institute, Royal Children's Hospital, Melbourne.
- Dr Richard Bloom, Plastic Surgeon, Melbourne.
- Dr Peter Callan, Plastic Surgeon, Melbourne.
- Prof. Fergus Cameron, Head of Diabetes Services, Royal Children's Hospital and Group Leader of the Diabetes Research Group, Murdoch Childrens Research Institute, Melbourne.
- Prof. David Castle, Professor of Psychiatry, St Vincent's Hospital Melbourne.
- Dr Raquel Cowan, Infectious Diseases Physician, Melbourne.
- Prof. Jo Douglass, Allergy Specialist, Melbourne.
- A/Prof. David Goodman, Consultant Physician, Nephrologist, Melbourne.
- Dr Michael Henderson, Vascular Surgeon, Department of Surgical Oncology, Peter MacCallum Cancer Centre, Melbourne.
- Prof. Paul Johnson, Infectious Diseases Physician, Melbourne.
- Dr Jill Magee, Consultant Dermatopathologist, Melbourne.
- Prof. Grant McArthur, Head of the Molecular Oncology (McArthur) Laboratory, Peter MacCallum Cancer Centre, Melbourne.
- Ms Rae Morris, Makeup Artist, Melbourne.
- Dr Stephen Parnis, President, Australian Medical Association (Victoria), Federal Councillor, Australian Medical Association and Consultant Emergency Physician, St Vincent’s Hospital, Melbourne.
- Prof. Anthony Penington, inaugural incumbent of the Jigsaw Chair in Paediatric Plastic and Maxillofacial Surgery at the University of Melbourne, the Royal Childrens Hospital and the Murdoch Children’s Research Institute, Melbourne.
- Dr Mark Shackleton, Medical Oncologist and Group Leader of the Melanoma Research Laboratory, Peter MacCallum Cancer Centre, Melbourne.
- Dr David Speakman, Vascular Surgeon, Department of Surgical Oncology, Peter MacCallum Cancer Centre, Melbourne.
- Dr Jonathan Tversky, Specialist in Oral Medicine and Senior Fellow, The Dental School, Faculty of Medicine and Dentistry, University of Melbourne and Specialist, The Oral Mucosal Clinic, Skin & Cancer Foundation Inc., Melbourne.
- Dr Gary Unglik, Allergist and Head of Immunology Laboratory, The Royal Melbourne Hospital, Melbourne.
- Prof. Gregory Whelan, AM, Professor, Monash University and University of Melbourne; Medical Adviser, Avant Mutual Insurance and Member, Council of Chapter of Addiction Medicine.
- Dr Denix Yaka, Psychiatrist in public and private practice Melbourne Victoria

Associated with the meeting there will be a number of special events. These include:

For the first time ever, a meeting of the Australasian Society of Cosmetic Dermatologists will be held jointly with the Annual Scientific Meeting.

The Australasian Society for Dermatology Research Meeting

The Australian Dermatology Nurses’ Association 13th Annual National Conference. Members of the ADNA are welcome to attend the College’s meeting.

These additional events add richness and value to the College meeting.

The College is honoured to have as the John Reid Orator at the Conferring Ceremony to be held on Sunday 18 May 2014, Prof. Graeme Brown, Foundation Director, Nossal Institute for Global Health, the University of Melbourne. The Conferring Ceremony is when we formally recognise new Fellows and present awards to Fellows who have provided outstanding service to College. I urge all members to attend.

It is heartening to see that our conference continues to be strongly supported by our industry partners. College meetings present a unique opportunity for a wide range of suppliers to display their latest products and services to dermatologists. I invite all delegates to visit these displays in the exhibition, to make contact with industry representatives and to learn about latest developments in products and services. The College and its members strongly rely on the loyal support they receive from our industry partners, in ensuring that our patients are offered optimum management with the latest advances in medical and surgical treatment.

I thank our sponsors who are listed in this program for their generous support of the meeting.

I hope that all delegates will have a most successful and enjoyable meeting.

TRADE EXHIBITION

The trade exhibition will be in the Exhibition Centre, Bays 11 and 12. It will be open on the following days:
- Sunday 18 May from 1000 to 1600 (1230 official opening).
- Monday 19 May from 1000 to 1600.
- Tuesday 20 May from 1000 to 1600.
- Wednesday 21 May from 1000 to 1430.

Morning tea, lunch and afternoon tea will be served in the trade exhibition venue on Sunday, Monday, Tuesday and Wednesday.

The morning and afternoon tea breaks will be for half an hour. The lunch break will normally be one hour, except on Tuesday 20 May 2014 when it will be longer.

Delegates will receive a trade passport: collect 24 stamps from exhibitors in your passport and you go into a lucky draw for valuable prizes.

Awards for outstanding exhibits

Awards for the outstanding exhibits will be announced on Wednesday 21 May 2014. The categories of award are:
- Most outstanding display of 9 sqm or less in size
- Most outstanding display of 18 sqm up to 27 sqm in size
- Most outstanding display of 36 sqm in size, or larger

The awards will be decided by a panel of three judges.

SPEAKERS’ PREPARATION ROOM

The speakers’ preparation room will be located in Speaker Room 201 of the Melbourne Convention and Exhibition Centre. The room will be staffed daily. The technician will be on hand one hour before the start of each session, then 30 minutes after close of the final session. Presenters are encouraged to hand their presentations in at least two hours before required onstage, or the day before if presenting early in the morning.

AWARDS

If there are papers of sufficient merit, the following awards/prizes will be awarded:
- Best research paper read at the Annual Scientific Meeting - F. & E. Bauer Foundation Prize
- Best paper in the Registrars’ Forum - sponsored by Pfizer
- Best poster presentations (two prizes)
- Best paper or poster presentation by a New South Wales Registrar, the Eileen Collins Memorial Prize – funded by the New South Wales Faculty
- Best paper in Contact Dermatitis, the John Fewings Memorial Prize - funded by the Skin and Cancer Foundation Victoria

iPHONE/TABLET APP

College is offering a free downloadable web-based app for the Annual Scientific Meeting. It will include information about the scientific program, social program, accommodation, etc. It will also be used for responder sessions during the meeting. The app can be used on most iPhones, notebooks and laptops. The app details will be circulated separately, and will also be available from the conference registration desk.

NOTE

The scientific program for the Annual Scientific Meeting has been prepared by Dr Con Dolianitis, FACD, and overseen by the College’s Scientific Meetings Steering Committee which reports to the Board of Directors.

The topics and speakers for all sponsored symposia and breakfast sessions have been approved by the College.
### PROGRAM AT A GLANCE

The scientific sessions of the meeting will be held in Plenary (entry via doors 4, 9 and 10) of the Melbourne Convention and Exhibition Centre.
